

BULLITA
STILE DI VITA

BULLITA is a lifestyle.

It stands for a wild and untamed style, encompassing the sea, powerful waves, sandy beaches, rocky formations, peaceful ponds, and the cherished flora and fauna nurtured by an ancient and timeless land. The distinctive scents and flavours of this land gracefully permeate our wine, expertly combining delicate floral and fruity notes that result in a strong and lasting taste. This remarkable blend evokes the robust flavours reminiscent of the Mediterranean vibrant regions.

BULLITA
STILE DI VITA

BULLITA
STILE DI VITA

As I arrive, I find you once again, my cherished friend, wild, confident, and untamed. Forever painting this splendid land with your hues.

A LIFESTYLE MADE OF SEA,
WAVES AND UNCONTAMINATED
NATURE

Just like you, I am free to soar, attempting
to ride these flawless and mighty waves.

WHERE THE
SEA'S TURQUOISE
HUE PREVAILS

In this place, everything is extraordinary the crystalline sea, the myriad of colours, the wind sculpted rocks, the intoxicating and untamed scents where the essence of freedom lingers within me.

A WORLD OF MUSIC, TRADITIONS, MYSTERY AND MAGIC

I encounter men and women with a proud gaze and unparalleled hospitality, guardians of an ancient culture that speaks of colossal

stone towers, magical rituals, mysterious traditions, music, dances, and songs that get lost in the depths of time. Everything appears magical to me.

SARDINIA: FREEDOM AND ENCHANTMENT

I dash through the enchanting Sardinian landscape, bathed in the warm glow of the golden sunset.

A PLACE OF ROMANCE, IMBUED WITH HUES OF GOLD

In these moments, within these serene havens, emotions surge, silence envelops, and a yearned for freedom permeates. It is here, on this island, where time fades away, carrying me on its wings.

**SCENTS AND FLAVOURS
THAT REVIVE THE HISTORY
OF THIS NOBLE ISLAND**

A sun kissed land, caressed by the wind and abundantly fertile, where majestic olive trees, shimmering wheat fields, and lush vineyards yield fruits of unparalleled excellence.

From those fruits, skilful hands, treasuring ancient culture and traditions, craft remarkable oil, flour, and above all, astonishing wines, each with its own remarkable characteristics.

The uniqueness of their colour, aroma, flavour, and quality has forever captivated me.

I have decided to introduce them to you, with elegance and style, during my journey...

Bullita's journey

**BULLITA WINES,
NOBLE PRODUCTS OF
THE MEDITERRANEAN
LANDS**

BOVALE ISOLA DEI NURAGHI IGT

(Typical Geographical Indication)

Grape variety: 100% Bovale. An important indigenous red grape variety from Sardinia, which has been rediscovered and appreciated for its pure expression only in recent years. Its cultivation is mostly concentrated in the central-south part of the island. While frequently employed in blends with other grape varieties, this particular variety truly shines when expressed in purity, showcasing its outstanding organoleptic and structural attributes to the fullest.

Description: Intense ruby red colour with violet reflections; on the nose, it is intense, complex, with fruity, floral and Mediterranean scrub scents. On the palate the wine is dry, fresh, and displays a great structure. Its full, intense, and warm flavour is characterized by a tannin that can be somewhat austere in its youth but always elegant. The well-balanced acidity and pronounced tastiness contribute to the remarkable persistence of this wine.

Pairings: Platter of cured meats and aged cheeses, red meats, as well as game. Try it also with important dishes based on fresh bluefin tuna.

Alcohol content: 12 % vol.

ROSATO VALLE DEL TIRSO IGT

(Typical Geographical Indication)

Grape variety: 80% Nieddera, 20% other native vines. In this interpretation, the versatile and significant grape variety, Nieddera, shines with its potential in crafting rosé wines. It is elevated by the harmonious blend with other red grape varieties that are characteristic of the lower Tirso valley.

Description: A soft pink colour, almost onion skin; the nose is intense, very fine and delicate, with clear fruity, citrus and floral references. On the palate, the wine presents a dry and rich profile, marked by remarkable tastiness and an enjoyable freshness. The call of the sea immediately takes you back to its homeland.

Pairings: Ideal wine as an aperitif, also perfect if accompanied with seafood or meat appetizers and crudités.

Alcohol content: 12 % vol.

VERMENTINO DI SARDEGNA DOC

(Controlled Designation of Origin)

Grape variety: 100% Vermentino from Sardinia.

The most widespread white grape variety in Sardinia, it thrives in cool areas close to the sea. Here, it finds an ideal terroir to fully express its characteristics and create equally distinctive wines that reflect the region.

Description: Brilliant straw yellow wine, the nose recalls fruity and floral scents; on the palate the wine is dry, soft and fresh.

It has a good body but above all a good acidity which makes it very drinkable.

Pairings: Aperitifs, fish appetisers, grilled sea bream.

Alcohol content: 13.5 % vol.

BULLITA

STILE DI VITA

Occasionally, during those special moments when enchantment prevails, time halts, and the world freezes around you...

...and every emotion becomes one of a kind,
truly indelible, an experience that remains
with you forever, a "lifestyle".

Sebastian Bullita.

*"Never before seen birds, majestic, with iridescent wings
rose from the pond, as if emerging from the
water, and traced a sort of rainbow across the
sky: perhaps a mirage...."*

G. Deledda
Nobel Prize
